

THE ALPHABET OF AWESOME SCIENCE

WORD PLAY EPISODE 3 WORKSHEET 1: NEOLOGISMS

It has been estimated that around 14.7 new words are created EVERY DAY!

So, what are you waiting for? It's your turn...

There's lots of ways to create a new word. You can play around with some scrabble tiles, mash about with keys on a keyboard, or simply pluck something out of your head. However you do it, we want to see what your brilliant minds come up with.

Once you've filled in this worksheet, scan it (or take a photo) and send it to #TeamALPHABET using the email: awesome@thatsciencegang.com

Happy Word Nerding!
