

THE ALPHABET OF AWESOME SCIENCE

WORD PLAY EPISODE 3 WORKSHEET 2: DAD JOKES

Everybody loves a dad joke! Well, maybe not everybody... But Professor Noel Edge sure does!

Noel knows A LOT of great (well...) dad jokes — but, he's always on the lookout for more. So, we'd love to hear from you. Hit us with your best worst dad joke.

Once you've filled in this worksheet, scan it (or take a photo) and send it to #TeamALPHABET using the email: awesome@thatsciencegang.com

We'll share as many of these as possible on our facebook page ([/thatsciencegang](https://www.facebook.com/thatsciencegang)). And if you come up with a REALLY good one, it may even find its way into our show...

Happy Dad Joking!
